Kids party photo booth

Dress-up props, superstar poses and photos to take home. Birthdays, school carnivals and grads across Metro Vancouver.

Viva Photo Booth and More
Prices as of November 2026 · CAD, + GST

Why parents book it: the giggles, the dress-up, the whole gang squeezed into one frame. It's a screen-free moment the kids talk about long after the party, and the photos bring it home so you can keep it on the fridge for years.
